

Dear(the candidate)

As a member of the Norwich Group of Amnesty International, I am keen to highlight the importance of the Human Rights Act (HRA) to our local politics as we go to the polls on 6th May.

It is likely that in a few months time there will be a House of Commons debate on the future of the Act. I hope that it will be protected in its present form and not diluted by unnecessary changes.

I attach a short briefing paper outlining the relevance of the Act to local democracy. I would be pleased to receive your views and support for maintaining the Act in its present form before I cast my vote.

These are hard fought for rights and we must not lose them.

Thank you, Yours sincerely,
